

THE TEMPLE ON THE CLIFF!

One day a girl got saved at our little church in San Diego, California! I was a young man of about 20 when it happened!

Praise the Lord!

Oh, thank You, Jesus! I'm so happy to have found the true Light!

I'll never go back to that horrible temple again --ever!

What temple, Dear?

The "Temple of the Golden Lotus"!--It's that Hindu Temple on the top of the cliff on the South side of Laguna Beach!

Oh, I wish there was something you could do about it, Mrs. Brandt!

At the temple they have these evil spirit rites! They're leading so many young people astray!

Oh, Dear!

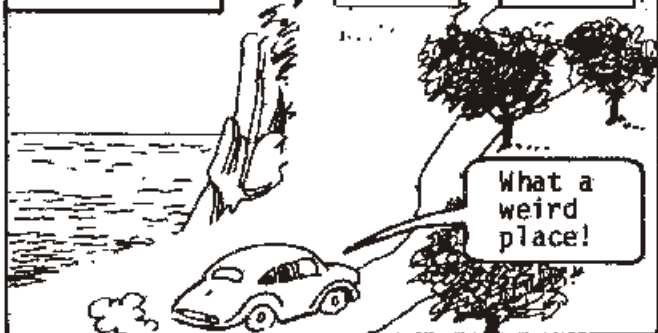

After the service--

David, will you be free to drive me this afternoon?

Yes, Mother! Where would you like me to drive you?

To the Hindu Temple!

So I drove
Mother out
there that
afternoon!

What a
weird
place!

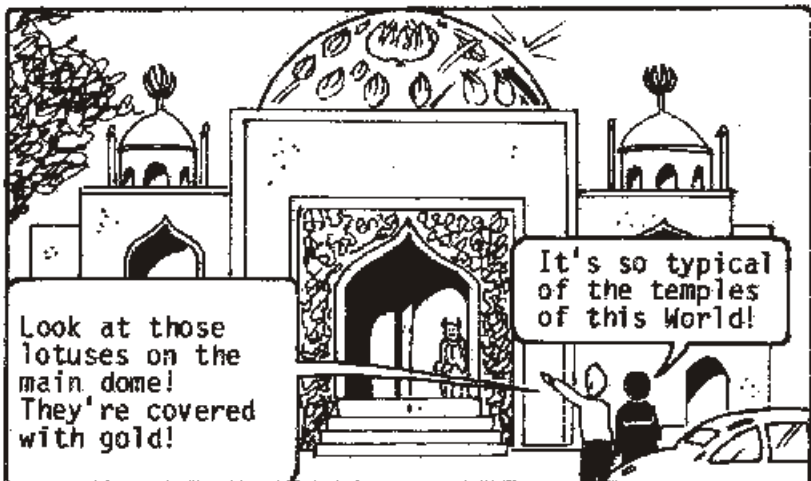

Look at that high
wall with barbed-
wire on top, Mother!

I want to
drive in
there and
walk around
and take a
closer look
at it!

Look at those
lotuses on the
main dome!
They're covered
with gold!

It's so typical
of the temples
of this World!

It's beautiful on
the outside, but
inside it's a hell-
hole deceiving
young people and
sucking them in to
its lies!

Ting!
Cling!
Cling!

The whole temple is
filled with heathen
idols! I just feel a
terrible spirit com-
ing from this place!

The poor young people!
They don't realise
they could get demon-
possessed chanting and
dancing in worship of
these idols!

Jesus, CURSE this place! CURSE this building!--In Jesus name!

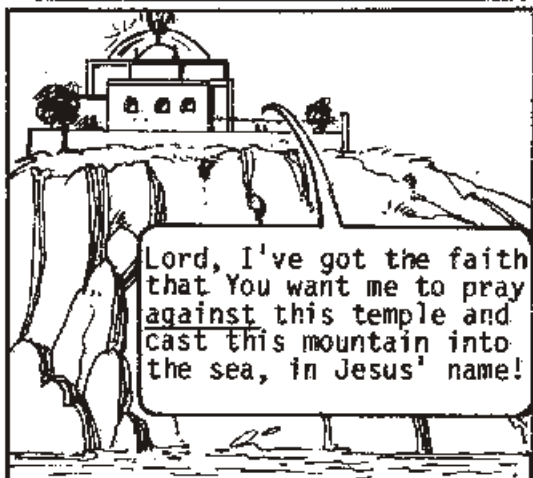

Curse that which goes on therein that is destroying the hearts and minds of these young people!

I claim Your Word, Lord, when You said if we have faith as a grain of mustard seed, we shall be able to say to this mountain, Be thou cast into the sea, and it shall be done! (Mark 11:23,24)

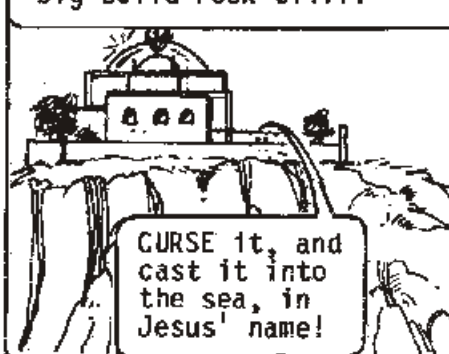

Lord, I've got the faith that You want me to pray against this temple and cast this mountain into the sea, in Jesus' name!

Lord Jesus! Please cast this evil temple into the ocean!

She repeated it several times but the huge temple didn't move! It was on a big solid rock cliff!

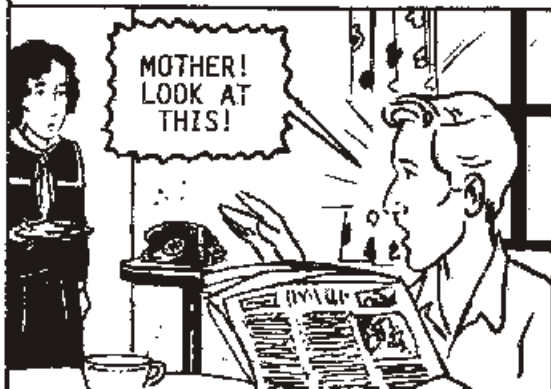

We'd done all we could do, so we then left and returned home.

Let me tell you, Beloved, when you pray, the Lord will take you exactly at your word and your faith!

The next morning I was reading the paper, when--

The Hindu Temple you cursed!--IT'S FALLEN INTO THE SEA!

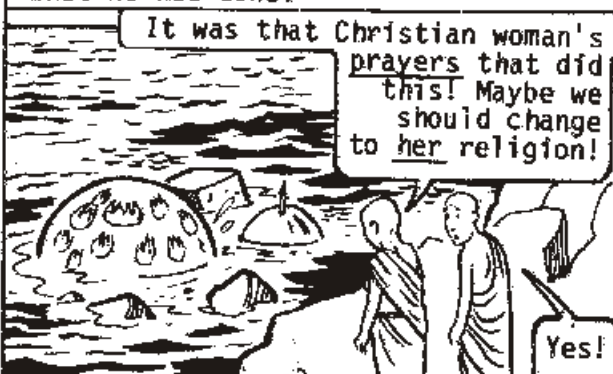

The whole cliff has collapsed, and the temple is half-buried in the ocean!

HALLELUJAH! THANK YOU, JESUS! YOU ANSWERED MY PRAYER! PRAISE THE LORD!

The Lord had left just enough of the temple sticking out of the sea to show what He had done!

Yes!

Whew! It nearly scared me silly!
It made me realise that those
promises in God's Word are very
real and should be taken very

seriously,
and not
fooled around
with!

That's
amazing!

The prophets of God can be
instruments of destruction,
and have been all through
history! God doesn't always
answer right away, but in
His time, He does answer!

I once asked God to rain down fire out of Heaven on the wicked
city of Catania in Sicily because they persecuted us there!

Jesus, judge these people
for throwing our dear ones
in prison and forcing us
to leave town!

RAIN FIRE
DOWN ON
THEIR HEADS,
LORD!

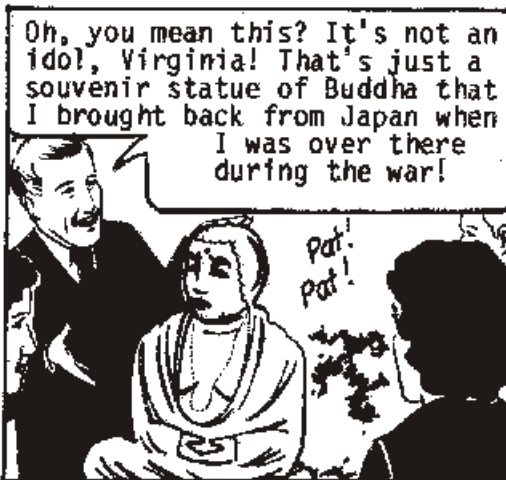

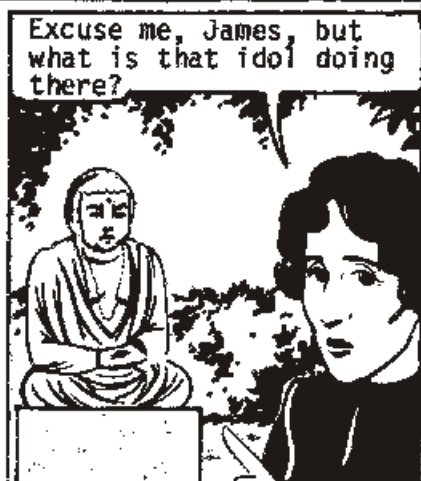

And only two weeks
later, the Mount
Etna volcano
exploded in a
serious eruption
that really shook
them up!

RUN FOR
YOUR
LIVES!

THE CURSE ON THE BUDDHA IDOL!

I wouldn't think of getting rid of it! I paid a lot of good money for it!

Yes, it's a very valuable souvenir! In Japan it's considered a very beautiful thing!

Well, if you won't get rid of it, I'm going to pray against it!

Do you remember the story in 1 Samuel 5, when the Enemy Philistines brought the ark of God into the temple of their idol Dagon?

Oh, great god Dagon! We lay before you the ark of the Lord!

Now the whole World will know that Dagon is mightier than the God of the Hebrews! We've captured their sacred ark!

Ha!
Ha!
Ha!

But the next morning--

DAGON!

How can this be?
Set him back up
on his pedestal
again!--
IMMEDIATELY!

Later--

But the next morning
the astonished priests
found the idol of Dagon
on the floor again!--
This time its head and
hands were smashed off!

WHAT?

And fasten him
tightly!

There! It's
impossible
for him to
fall again!

The God of Israel is angry
with us, and has done this
to our god Dagon!

O Priest! Bad news!
Many of us in the
city are smitten with
horrible boils!

Look!

Others are dying of
a strange disease!

THE ARK IS DANGEROUS! Get
it out of here at once!
Send it some place else!

But wherever the Philistines sent
the ark, the people were struck
with boils or this strange disease!

It's the ark of the God of
Israel that is causing all
our woes because we've
stolen it from them!

Have mercy! Take it somewhere else before any more of us fall sick and die!

We don't want it in our city!

Please!

And so after seven months of this, the Philistines had had enough! They sent the ark back to Israel on a cart pulled by two mother cows and without a driver!

Whew! It's gone!

By another miracle, the cows left their calves behind and pulled the ark all the way back to Israel, as if led by the hand of God!

Well, God is angry with your idol just like He was with Dagon, the Philistines idol! The Lord said, "Thou shalt have no other gods before Me, and make no graven image!" (Deut. 5:7,8) You're Christians and shouldn't have this false god Buddha in your garden!

Oh, but Virginia--

So I'm going to pray against it, that, like Dagon, it will fall over and break its neck in the night!

Oh, Virginia! You're really being funny! That's silly!

But the next morning--

I'll get it!

RING!
RING!

Hello, Virginia! I want to say I'm sorry for taking so lightly what you said yesterday!

I went out in the garden this morning, and--

WHAT?

Look! The Buddha idol has fallen off its perch, and smashed to bits!--Just as Virginia prayed it would!--It's a miracle! There's no way the wind could have blown this heavy statue down and no way anyone could have gotten on our property to damage it!!

Forgive me, Virginia! I realise now that evil spirits in idols are real, and are not just a joke or a foolish superstition!

So never belittle the power that God has given you!

All the devils of Hell, including Satan himself, are subject to our power, because we have the power of Christ! Praise the Lord!

Amen!

Do you remember the story of Helen Jones?

Was she the crippled girl in the "Feet of Faith" TK?

Yes!
